77% Premium-Value Pricing Target

Target uses the independent/studio competitive range. Resort spa pricing is noted separately because it includes facilities and brand premiums.

SESSION	COMPARABLE LOW	COMPARABLE HIGH	77% POINT	ROSE ONE-TIME	ROSE MEMBERSH
60 minutes	$80	$160	$142	$145	$125

Positioning note

Rose Quartz should sit above standard independent pricing while staying below full resort-spa pricing. The page now presents clear premium rates and a recurring-care membership option without separate specialty upcharges.
